

What's New

NEW CATEGORIES

- Talk Show Hosts have been separated out into two categories:
Outstanding Host in an Entertainment Talk Show
Outstanding Host in an Informative Talk Show
- Recognizing the work of a guest actor or actress on a Daytime Drama show there will be a return of the category of **Outstanding Guest Performer in a Drama Series**. The performer's character must have premiered in the current eligibility (calendar) year and have made a limited number of appearances in a significant role.
- Recognizing the work of an actor or actress in either a lead or supporting role appearing only on a New Approaches Drama Series there is now the category of **Outstanding Performer in a New Approaches Drama Series**.
- **Outstanding Directing in a Game Show**
With a larger number of Game Shows participating in the Daytime Emmy Awards, it was decided the category of **Outstanding Directing in a Game Show** should return to the Daytime contest. Writers should enter in to **Outstanding Special Class Writing**, as they did in the past.

CATEGORY CHANGES AND ADJUSTMENTS

- Drama Performers will submit a Pre-Nomination reel of up to 4 minutes TRT, and it may consist of any clips from up to two episodes from the 2014 calendar year (previously 2 scenes). Younger Actress and Actor categories will NOT undergo the Pre-Nomination Judging round.
- The **Host** or **Hosts** for a **Children's Series** will now enter **Outstanding Lifestyle/Travel/Children's Series Host**. Performers in a Children's Series remain in the **Outstanding Performer in a Children's Series** category.
- Directors for Entertainment News Programs can now enter in to **Outstanding Directing in a Talk Show/Entertainment News/Morning Program**.
- Crafts people associated with Spanish language programs may enter related craft categories. It will not be necessary to provide English translation in these categories with the exception of **Outstanding Writing Special Class**, where it will be necessary to upload a translated script.
- **Outstanding Performer in an Animated Program** category submissions will be uploaded directly to the **Yangaroo** system (previously DVDs).
- Performers for the **Outstanding Performer in a Children's Series** category will now be required to submit only a clip reel of all appearances from one episode (rather than an entire episode).
