

**NATIONAL ACADEMY OF TELEVISION ARTS AND SCIENCES PRESENTS 23<sup>rd</sup>  
ANNUAL NEWS AND DOCUMENTARY EMMY AWARDS**

**New York, September 11, 2002** – The 23<sup>rd</sup> Annual News and Documentary Emmy Awards were presented by the National Academy of Television Arts and Sciences (NATAS) Tuesday, September 10, 2002. A stellar line-up of prominent newsmakers and industry executives including Barbara Walters, Bernard Shaw and Pat Mitchell, president of PBS, presented the awards to a distinguished group of broadcast journalists at the Marriott Marquis hotel in New York City. Garrick Utley of CNN acted as Master of Ceremonies during the event.

The awards recognize outstanding achievement by individuals and programs broadcast throughout the 2001 calendar year. During the ceremony, Barbara Walters presented the first-ever lifetime achievement award to Roone Arledge, Chairman, ABC. The Awards Committee of NATAS granted the award.

"If ever there was a year to recognize television news coverage, this was it," said NATAS President Peter Price. "It was our honor to present so many notable broadcasters with the coveted Emmy in tribute to their skill, hard work and commitment. It also proved to be a worthy time to recognize the contributions of Roone Arledge whose impact on the television industry is unparalleled."

The finalists were chosen by blue ribbon panels composed of broadcast industry professionals. Entries were reviewed from the 2001 calendar year.

The numerical breakdown, by broadcast and cable entities, as compiled by the independent accountancy firm of Lutz and Carr, LLP, follows:

PBS	14	MSNBC	2
CBS	7	National Geographic	
ABC	6	Channel	1
CNN	4	TLC	1
HBO	3	WABC	1
NBC	3	WKRC	1

A complete list of the 23rd Annual News and Documentary Emmy Award recipients is available for viewing and downloading on the academy's web site at [www.emmyonline.org](http://www.emmyonline.org).

The 23rd Annual News and Documentary Emmy Awards is presented by the National Academy of Television Arts and Sciences, a non-profit organization dedicated to the advancement of television.
