

**NOMINEES FOR THE 29th ANNUAL NEWS & DOCUMENTARY EMMY® AWARDS
ANNOUNCED BY THE NATIONAL ACADEMY OF TELEVISION ARTS & SCIENCES**

**Winners to be announced on September 22nd
at Frederick P. Rose Hall, Home of Jazz at Lincoln Center**

New York, N.Y. – July 15, 2008 (revised 8/28/08) – Nominations for the 29th Annual News and Documentary Emmy® Awards were announced today by the National Academy of Television Arts & Sciences (NATAS). The News & Documentary Emmy® Awards will be presented on Monday, September 22 at a ceremony at Frederick P. Rose Hall, Home of Jazz at Lincoln Center, located in the Time Warner Center in New York City. The event will be attended by more than 1000 television and new media industry executives, news and documentary producers and journalists. Emmy® Awards will be presented in 33 categories, including Breaking News, Investigative Reporting, Outstanding Interview, and Best Documentary, among others.

“From the ongoing war in Iraq, to the slowdown in the American economy, to the campaign to succeed George Bush, 2007 was a significant year for major news stories,” said Bill Small, Chairman of the News & Documentary Emmy® Awards. “This year’s nominees show that the field of broadcast journalism is as vital as ever, and we congratulate them for their outstanding work.”

“The journalists and documentary filmmakers nominated this year have accomplished the daunting task of helping viewers understand some of the most compelling issues of our time,” said Peter Price, President and CEO of the National Academy of Television Arts and Sciences. “We salute them for their efforts.”

The numerical breakdown, by media entities, as compiled by the independent accountancy firm of Lutz and Carr, LLP, follows:

About The National Academy of Television Arts & Sciences

The National Academy of Television Arts & Sciences (NATAS) is a professional service organization dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy® Award for News & Documentary, Sports, Daytime Entertainment, Daytime Creative Arts & Entertainment, Public & Community Service, Technology & Engineering, and Business & Financial Reporting. Excellence in Primetime programming and international programming is recognized by its affiliate, the Academy of Television Arts & Sciences. Regional Emmy® Awards are given in 19 regions across the United States. Beyond awards, NATAS has extensive educational programs including National Student Television and its Student Award for Excellence for outstanding journalistic work by high school students, as well as scholarships, publications, and major activities for both industry professionals and the viewing public.
